

## REPORT OF THE TREASURER

My name is Stacey Marks and I have been employed with the Toronto Police Service for just over 11 years. I'm currently a member of 14 Divisions Major Crime office. I have been a member of the TPAAA for the past five years in 2015 I started as the Rugby Sports Chair.

In 2018 I wanted to take on a more extensive role within the TPAAA. Soon after I was fortunate enough to become a member of the Executive. I am now in my second year and hold the position of the Treasurer, with the guidance of the Director of Athletics, Anthony Charles.

This year has held many challenges for the TPAAA and its Members. With the emergence of COVID-19 and the new restrictions placed upon us. The Executive had no choice, but to cease most sporting events for the health and safety of the membership. This was a decision that was not taken lightly by the Executive.

This year was my turn to host the Children's Playground games which is a highlight for many youths in the community. This event

aims to engage and introduced new sports to children along with promoting positive interactions with Toronto Police members. Unfortunately, this event was canceled, but the hope is that we will be back bigger and better in 2021.

During this term, the Director of Athletics, Tony Charles, retired and I was required to take on this role in addition to treasurer.

With the assistance of the other Executive members; Chris Scherk, Royce McDonald, Nicole Arokium and Mike Bagg the General Manager, I was able to successfully fulfill these two roles.

Although this years' sports activities were lacking, we were still able to participate in zoom meetings with the members to make sure we were conducting business as usual.

Working along with the Sports Chairs and the Site Representatives, we were able to get in all of the budgets on time for the new fiscal year. After working for countless hours, we were able to review each individual sport for the 2021 season.

After completing and approving, all of the sports for 2021, I am happy to announce that we have stayed on budget.

Thank you to all of the TPAAA Executive Members for of your assistance this past year. I could not have done it without you.
